STAFF AND RESIDENTS BEGINNING WITH US

Residents:

We had five new residents join us last quarter, one boy and four girls.

Staff:

We had two new male staff added to our group.

Welcome and blessings to all of you!

SAYING GOODBYE

Residents:

Four residents were discharged, three girls and one boy.

Of the four residents only one will be going into our aftercare program. He reunified with mom and is doing well. The three girls were discharged to more restrictive placements due to a decline in mental health. The others were due to at-risk behavioral concerns.

Staff:

There were no changes in staff. They are all still with us and we are thankful for them.

The latest news

Training for the quarter consisted of watching the movie *The Ride*, a video on Proactive Parenting and the yearly renewal of ACT- Acceptance and Commitment Therapy Training.

We also joined with a new county Crawford County.

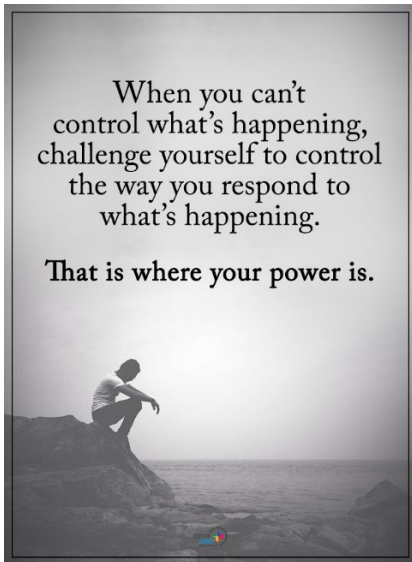

FUN EXPERIENCES WITHIN OUR COMMUNITY

Earning Fun

Any resident that did not receive a behavioral critical in the month can earn a day of fun at the end of the month.

April- Extreme Air – 2 boys
\$20 at the Beauty Salon- 1 girl eligible.
May – Tubing the Cuyahoga River- 4girls and 1 boy.
June – Kennywood Amusement Park - 3 girls and 6 boys

HOW ARE WE BEHAVING?

Positive Performers

We love to catch our young ones doing well. Between both homes we wrote 134 rewards between all residents. We also gave out several weekly rewards for great behavior for those that did not have a critical or minor report in the week.

Number of Restraints:

Boys House: 2 restraints – 2 incident reports 0 in April and June 😊

Girls House: 2 restraints – 2 incidents. 0 restraints in April 😊

The boys' home maintained with only 2 restraints. This is awesome! Two different residents, separate incidents, 2 different staff. There were no patterns.

The girls' incidents decreased to 2 restraints this quarter, two separate incidents. Both same girl, two different staff, pattern just in the fact that it is the same girl who is increasing in aggression which is being monitored.

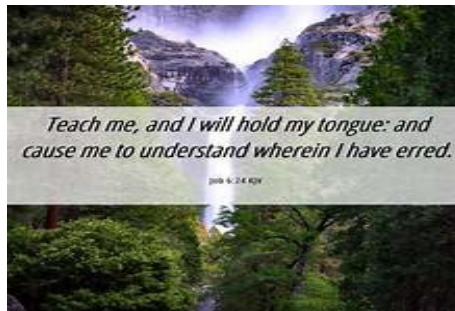

Fresh Starts

Three boys were eligible to participate in our Aftercare Program in the last quarter.

-1 boy is doing well in Bridges living at MOAB House, a transitional home for emancipated youth. He is working and saving money.

- 1 boy reunified with his mom and is doing well.

-1 boy reunified with grandmother, he was removed once and then grandmother declined our help and will not take our calls.
